

MODULE B – AREA OF REVIEW AND CORRECTIVE ACTION PLAN

GSDT TAB: AOR AND PRESSURE FRONT DELINEATION

AoR Shapefile

The AoR Shapefile has been submitted as Confidential Business Information in Module B and is located in a subfolder folder called “Shapefiles” in the “AoR CAP” folder. The shapefile represents the AoR (Cone of Influence) boundary file for this gas storage project and is called “_AoR”.

Please Note: The “*Area of Review and Corrective Action Plan*” technical report and associated figures, tables, and appendices, has been submitted as Confidential Business Information (CBI). This document has been submitted to meet the requirements of the “AoR and Pressure Front Delineation” tab in Module B of the Geologic Sequestration Data Tool (GSDT).
